## **General Information**

### **A NEW BEGINNING**

A new millennium, a new way to educate. E4N Bible Training Center moves to a new vision for the 21st century. E4N Bible Training Center provides educational opportunities to raise up and train leaders for this unique time in history. This new delivery system through technological advancements doesn't mean that we have done away with the old! Our Howard City campus offers a traditional two year and four-year program. E4N BTC offers courses leading to a Certificate, or Diploma. Qualified instructors who are practitioners of their disciplines serve as faculty. E4N Bible Training Center: training leaders for the end-time harvest.

### **A NEW EDUCATIONAL PARADIGM**

Changing times call for changing methods. A new model of "equipping the saints" is emerging. E4N Bible Training Center incorporates these new methodologies as part of its cutting edge approach to ministry training.

In the past, bible colleges and seminaries have been the major institutions of ministerial training. All training was done in isolation, with little or no contact with the local church. As a result, the emphasis was on academics and not practical ministry. 50% of the graduates were out of the ministry in ten years or less, while those trained in the local church are still in ministry after the same period of time (Lyle Schaller, [21 Bridges to the 21st Century](#)).

E4N Bible Training Center has made a paradigm shift in "equipping of the saints for the work of the ministry." Healthy apostolic Churches are rapidly becoming the primary source of ministers, playing an important role in the equipping process. The life and ministry of the church is a "laboratory" where the principles and practices of ministry are honed.

Another shift is from the academic mentality to the practical, equipping aspects of ministry. **CALL, CHARACTER AND COMPETENCIES** are stressed in that priority. The Holy Spirit is the primary teacher and equipper. Academics are not sacrificed or neglected. Personal character and spiritual formation along with professional skill formation receive 80% of the emphasis in the training process. This reverses the emphasis of traditional ministerial education where 80% of the curricula is on academics and 20% on the spiritual and hands-on skills.

## **A NEW EDUCATIONAL PARADIGM—continued**

Accountability is to the church, rather than to an accrediting agency that makes academics the top priority.

Graduates are expected to be Leaders. Leadership qualities, character, modeling and mentoring are the new emphasis'. The form? Whatever it takes! Non-formal, informal and formal mentoring and teaching opportunities are all combined at E4N BTC. Therefore, new educational delivery systems are part of the E4N BTC features.

You will find many more advantages—*all in your favor*—to better equip you at E4N Bible Training Center.

E4N Bible Training Center is governed by the Ephesians 4 Network.

## **E4N BIBLE TRAINING CENTER**

*“All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right. It is God’s way of preparing us in every way, fully equipped for every good thing God wants us to do.”*

### **ACCREDITATION**

E4N Bible Training Center operates as a non-profit organization. The E4N Bible Training Center is not “accredited”, however while E4N Bible Training Center recognizes the validity of traditional accreditation and is always evaluating its educational process by the respective standards of various accrediting associations, the uniqueness of the educational program of E4N Bible Training Center best fits outside the design of traditional schools. Most accrediting associations and schools stress academics over practical equipping for ministry. E4N BTC stresses the spiritual, the practical and the professional aspects of “equipping the saints,” along with a sound biblical academic emphasis.

## **NON-DISCRIMINATION POLICY**

E4N Bible Training Center admits qualified applicants who are personally committed to faith in Jesus Christ and Christian ministry. It does not discriminate on the basis of race, color, national origin, sex, qualified handicap or disability in any of its policies, practices, or procedures.

## **The Mission of E4N Bible Training Center**

### **MISSION**

***Equipping Christian leaders by enabling them to discover and develop their spiritual gifts and then deploy them in ministry, under the anointing of the Holy Spirit for effective ministry as they fulfill their destiny.***

### **PURPOSE**

The curricula, co-curricula, and classroom of E4N Bible Training Center are all designed to provide a dynamic context in which every student will be assisted and encouraged to:

1. ***Train the mind (Information)*** by studying the Word for sound biblical principles for life and ministry.
2. ***Train the heart (Impartation)*** in spiritual formation by developing character, learning to submit to the Lordship of Jesus Christ and allowing the Holy Spirit to effect spiritual transformation.
3. ***Train the hand (Demonstration)*** by discovering your spiritual gifts, personal potential and destiny, and using them effectively for God's glory.

## **OBJECTIVES**

The objectives of E4N Bible Training Center are to equip students “for the work of the ministry” (Eph. 4:12). So they may more effectively fulfill God’s call and destiny in their lives in accordance with their spiritual gifts. E4N Bible Training Center seeks to train end time harvest leaders:

- 1. To become better equipped to serve as pastors of growing churches, church planters, missionaries and Christian leaders.**
- 2. To have a sound biblical understanding of the mission and purpose of the church.**
- 3. To develop strategies for church growth and new church planting in today’s changing world.**
- 4. To integrate theology, biblical knowledge, and ministry practice with a Christ-like character.**
- 5. To effectively communicate the gospel cross-culturally.**
- 6. To hear what the Spirit is saying and minister under His anointing with signs and wonders.**

- I. Develop a **Life and Ministry Portfolio (LMP)** where all past training, education, and vocational experiences are listed. A student should include all teaching and / or ministry assignments as part of the portfolio. If a student feels that he/she has the competencies or knowledge that the course description indicates, and documentation is included in the portfolio, credit may be granted. A fee of \$60.00 will be charged to the student for every course where credit is granted. **Up to 45 units may be awarded through this means.**

## DELIVERY SYSTEMS—continued

2. **The College-Level Examination Program (CLEP)** allows you to receive credit for what you already know by passing one of their tests. This credit by examination speeds up the educational process for the student. Students may validate their knowledge gained through cultural pursuits, special interests or internships. Most of these talents fulfill the general education requirements for the Diploma Program.
3. **E4N Bible Training Center Tests:** The faculty of E4N BTC has developed institutional tests for specialized courses in the area of the Bible, Theology and practical ministry. Students may take these tests for selected courses and if a satisfactory grade is achieved, the student is exempt from enrolling in the course (s).

**BI 250 Types & Emblems**

Now, more than ever before, there is a need for a CLEAR MESSAGE to a world reeling under the weight of lawlessness, self-indulgence, and immorality. This world needs to learn two great lessons. First, God is Holy, God demands that people be holy, living righteous and pure lives. But people have failed, come ever so short of righteousness and purity. Second, God is merciful. Therefore, God has provided a way for people to approach and worship Him. But a person must approach God correctly, exactly as God dictates. If a person so approaches God, God accepts and forgives the person. This is the CLEAR MESSAGE of the Tabernacle, a message desperately needed for today.

**BI 255 Interpreting The Scriptures**

“What does the Bible mean?” The answers to this question are many and varied. Most Christians are agreed on the fact that the Bible is the inspired Word of God, given to be understood by them and assimilated into their lives. However, where they differ greatly is concerning the meaning of Scripture. The differing viewpoints are virtually countless. Since one’s doctrine stems from one’s interpretation of the Bible and all interpretation is guided by various rules, it seems that the Christian community should be focusing its attention more on the field of hermeneutics -the science of interpreting scripture. It is this need that provides the basis for this text book on hermeneutics. This class assumes that a working knowledge of hermeneutics coupled with an illuminating unction of the Holy Spirit will enable those who interpret Scripture to come to a harmonious knowledge of the truth.

**NEW TESTAMENT COURSES (continued)****BI 470      The Acts Of The Apostles**

This complete study of the book of Acts takes over where the New Testament Survey stopped. This text is not written for any literary presentation, but simply a compilation of notes which may be used as a textbook for students and teachers. Many “handfuls of purpose” may be gleaned on the way through the Book of Acts which will become “seed to the sower and bread to the eater.”

**BI 475      Righteousness**

The supreme need of the church at this hour is to know what we are in Christ, and how the Father Himself looks upon us. ## **MISCELLANEOUS INFORMATION**

**TERMINATION:** The E4N Bible Training Center has the right to terminate a student's enrollment on the following grounds:

- \* Failing grades in more than 25% of assignments
- \* Conduct in or out of the classroom that is inconsistent with the philosophy and goals of the E4N Bible Training Center.

Every effort will be made to resolve the problem before termination of a student's enrollment takes effect.

**PROBLEMS:** If you come into personal or financial difficulty, or if a problem develops concerning some aspect of the E4N Bible Training Center, please consult with the Administrator immediately. Do not allow any problem to grow until it becomes insurmountable. You should especially speak to a staff member if you are thinking about withdrawing from the E4N Bible Training Center. We are ready to do all that we can to help you to obtain maximum benefit from your studies.

**DIFFERENCES:** You are not expected to agree with everything that will be taught by our various instructors, but you are expected to treat the views of the lecturers and of your fellow students with respect. If you disagree with something that is being taught, you should listen as openly as possible, giving due attention to everything the Holy Spirit may be trying to say to you. Nor should you expect the Holy Spirit to speak to every student in the same way, or to lead him or her all in the same direction. He has a multifaceted plan to suit the extraordinary diversity that exists in the church. There is much that we can all learn from each other's differences.

**COMPLAINTS:** Persons who wish to file a complaint with the State of Michigan may do so at [www.michiganps.net](http://www.michiganps.net).
